More Information

Ultra cooling gel pad

Do you get sweaty in summer? You're not alone! Hot summer nights can be great on paper but when you're sweating in bed, they're less appealing. That's why we've snuck a full gel pad into this pillow. The gel in this pad instantly absorbs heat and instantly cools and evaporates it, a process that instantly cools your body temperature down and tones down those night sweats big time.

Super soft bamboo fabric

Bamboo isn't just for pandas anymore! We've covered this design in luxurious bamboo fabric that is not only buttery soft but also helps to thermoregulate through the night - meaning it stays cool in summer and cozy in winter!

Machine washable removable cover

Laundry day just got even easier! Simply slip the cover off, pop it in the washer, and you're good to go.

Low allergy, low irritant, high quality

Put away the antihistamines, this nifty little design's high-quality anti-microbial, anti-allergen makeup won't trigger your allergies like others alike!

Meets all CertiPUR-US standards

We've had this product tested by CertiPUR-US to ensure that there's absolutely no nasties in our products.
