Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!

Sturdy metal handle/s

We've affixed strong and sturdy metal handles to this design to keep it solid and secure as well as looking great.

No assembly required

Ditch the complicated assembly booklets and save your time because this design comes fully assembled!
