## More Information

### Pick your bed size

This bed is available in your choice of size! Select your size above or check out all the dimensions below to help make your decision.

### Copper Ion Fabric

Copper Ion fabric is hygienic, antimicrobial and cool; creating a healthy and comfortable sleeping surface

### Copper Air Memory Foam

Contours to the body and provides optimal pressure relief and alignment whilst also offering excellent thermal conductivity to help regulate heat

### 5-Zone Mini Pocket Springs

Mini Pocket Springs offer tailored support by adapting to your sleeping profile, while the 5-Zone Spring System offers targeted comfort for improved pressure relief and support

### Medium Comfort Foam Layer

The combination of Medium Comfort Foams offer a luxurious and supportive sleeping surface while reducing pressure points and promoting a restful night's sleep

### Recovery Foam

Recovery Foam provides an ideal combination of support, comfort, and breath-ability; with the goal of providing you with a restful and rejuvenating sleep

### Foam Box Construction

This mattress is fitted with a high density foam box that runs around the outer edge of the mattress to provide full edge support.

### Medium feel mattress

Not too firm, not too soft, this medium feel mattress density is just right. Perfect for side sleepers or anyone wanting a comfy yet supportive night's sleep.
