More Information

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

Includes power recliners

Kick your feet up and recline at the push of a button. This design is fitted with a power mechanism that when pressed will gently guide you into a comfortable position. May result in naps and extreme levels of comfort.

USB charging ports

Never let your devices run out of battery with the incredibly handy inbuilt USB charging ports! Just plug in your charging cord and device and kick back as you watch it charge.

Handy lighting devices!

Curl up with a book before bed, add a little extra lighting, or just keep a spotlight on your snacks with this design's handy in-built lighting!

Fits the whole family

Sometimes bigger really is better. This lounge is a large one and is perfect for fitting the whole family with plenty of room to spare. This lounge is perfect for home theatres, living rooms, and anywhere you want to stretch out and relax.

Includes console with cup holder and storage compartment

Sitting in front of the TV with a hot tea or coffee is one of life's little luxuries. Stash your drinks away easily with the in-built console with drink holders and storage compartments!
