More Information

Handy pockets

With pockets fitted to this chair, you can have everything you need within an arms-reach!

High back seating

Sit back and relax with this design's high back seating, designed for extra support and comfort (the fact that it also looks elegant and sophisticated is just an added bonus!)

Lift yourself back to a standing position

This lift chair makes getting yourself back on your feet incredibly easy. At the push of a button this chair will safely lift you forward into a comfortable standing position.

Powered lift and recline function

This chair can not only recline all the way back into ultimate comfort, but will also lift up and forward, to make life just that little bit easier.

Power mechanism

This beautiful recliner has an in-built power mechanism that allows for adjustable comfort at the press of a button. Effortlessly recline your seat and return it to the upright position with the easily accessible controls.

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!
