More Information

Package includes...

X1 queen bed, x2 bedside chests, and x1 tallboy chest. This package includes all the necessities for decking your bedroom out in your chosen style!

Handy bedroom storage drawer/s

Keep the bedroom clutter free and looking tidy with this bed's added storage drawers. Organise your clutter, store your shoes or blankets, or keep your treasures safe and sound. Whatever you choose to use them for, you'll sleep easy knowing everything is in its place.

Center support rail

This bed is fitted with a center support rail which not only adds a world of difference to your comfort, but also helps prevent damage to your bed and mattress. Without a center support rail you risk your bed sagging in the middle over time which warps both your mattress and your bed's slats. No thank you!

Sturdy metal handle/s

We've affixed strong and sturdy metal handles to this design to keep it solid and secure as well as looking great.
