Made with solid fruitwood

Round table top

Break up your room's rhythm with a round table top instead of the traditional rectangular or square shape. Round tabletops can add dimension and more flow to a room in an instant, and they can also occasionally fit and make more room in spaces that their more square counterparts cannot!

Ideal for small spaces

This design is compact in width making it perfect for smaller spaces. But what it lacks in width, it well and truly makes up for in style.
