## More Information

### Spinetech double tempered springs

You can be sure you're getting only the highest quality spring units with the double tempered springs included in this mattress. Twice tempered for extra durability, strength, and support.

### 3 zone spring system

Support your spine throughout the night with the innovative 3 zone spring system that provides 3 areas of individualised support for where you need it most

### Protection against allergies and asthma

This mattress is covered by a health vantage protection that helps prevent and protect you from allergy and asthma symptoms commonly caused by other mattresses. No sneezing or wheezing with this mattress in your bed!

### Non-flip mattress

This mattress is fitted with a supportive base and plush, comfortable layers on top so you can forget having to flip your mattress to keep it comfy.

### Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.

### Pick your size

Fan of this design but not the size? Search the product name and you'll find size option/s available right now to suit your space!

### Comfort Foam Layer

Your body and sleep style is unique, that's why the comfort layer of foam works over time to contour to your exact frame and sleeping positions.

### Medium feel mattress

Not too firm, not too soft, this medium feel mattress density is just right. Perfect for side sleepers or anyone wanting a comfy yet supportive night's sleep.
