More Information

5 zone spring system

Support your spine throughout the night with the innovative 5 zone spring system that provides 5 areas of individualised support for where you need it most.

Includes natural latex

Natural latex is a no-brainer choice when it comes to buying a new mattress. Not only is the material natural and free from nasty chemicals, it's also dust mite, mildew and mold resistant — dust mites can't live in latex! Natural latex will also provide support and contoured relief making it not only very functional but very very comfy.

Minimal partner disturbance

If your partner tossing and turning at night sometimes wakes you up, this mattress will be a dream come true for you. This design is purposefully crafted to ensure minimal partner disturbance, so that you can both enjoy uninterrupted Z's.

Protection against allergies and asthma

This mattress is covered by a health vantage protection that helps prevent and protect you from allergy and asthma symptoms commonly caused by other mattresses. No sneezing or wheezing with this mattress in your bed!

Non-flip mattress

This mattress is fitted with a supportive base and plush, comfortable layers on top so you can forget having to flip your mattress to keep it comfy.

Organic cotton cover for ventilation

Stay cool all night long with this mattresses organic cotton cover. This handy and natural cover increases ventilation of your mattress to enhance airflow and keep you an optimal temperature all night long.

Cool in summer, warm in winter

This mattress is carefully constructed with multiple innovative technologies to ensure you stay the perfect temperature all year round.

Foam Box Construction

This mattress is fitted with a high density foam box that runs around the outer edge of the mattress to provide full edge support.
