More Information

Wave Pocket Spring

A combination of higher and lower springs create a comfort layer with a strong support layer underneath for spinal alignment.

Natural Latex

Natural latex provides support and contoured relief making it not only very functional but very very comfy. A perfect natural choice!

Comfort Foam Layer

Your body and sleep style is unique, that's why the comfort layer of foam works over time to contour to your exact frame and sleeping positions.

Medium Foam Layer

This high quality firmer foam layer provides long lasting support as well as providing excellent comfort.

Bamboo Charcoal Quilting

Helps to promote blood circulation throughout the body and also relieves stress and fatigue. Resulting in improved overall sleep quality.

Foam Box Construction

This mattress is fitted with a high density foam box that runs around the outer edge of the mattress to provide full edge support.

Secure Sleep Health Treatment

This mattress has been treated with Swiss Sanitized technology. This treatment protects against bacteria growth, dust mites and allergens, is safe for allergy sufferers and also helps the life of the fabrics.

Meets CertiPUR-US Standards

CertiPUR-US is an international standard for foam production which ensures all the foams are safe and do not contain any nasty chemicals!
