## More Information

### Pocket on Pocket Spring

A combination of mini pocket and regular pocket springs create a very firm sleeping surface and provides exceptional spinal support.

### Gel Memory Foam

This foam supports your core and the gel infusion helps transfer heat away from your body to keep you cool!

### Convolutd Foam Layer

The premium quality convoluted foam layer adds comfort as well as helps heat dispersion by increasing air flow throughout the mattress.

### Comfort Foam Layer

Your body and sleep style is unique, that's why the comfort layer of foam works over time to contour to your exact frame and sleeping positions.

### Bamboo Charcoal Quilting

Helps to promote blood circulation throughout the body and also relieves stress and fatigue. Resulting in improved overall sleep quality.

### Foam Box Construction

This mattress is fitted with a high density foam box that runs around the outer edge of the mattress to provide full edge support.

### Meets CertiPUR-US Standards

CertiPUR-US is an international standard for foam production which ensures all the foams are safe and do not contain any nasty chemicals!

### Meets OEKO-Tex Standards

Oeko-Tex certification indicates the fabrics used are free of hazardous chemicals and are both non-toxic and safe!
